

Loyalty Rewards Program

Worldwide Travel Staffing is pleased to announce that we are offering our travel nurses a loyalty rewards bonus program for successfully completing travel assignments. Licensed R.N.s, Licensed L.P.N.s, and Licensed Nurse Practitioners are eligible for this bonus program. As your employment continues with Worldwide, you will accumulate clearly defined bonus points upon the successful completion of each consecutive 13-week travel assignment. Once earned, your bonus points can be converted immediately into a cash bonus, or they can be “banked” for cashing later.

As long as you do not take longer than 30 days off between assignments, your bonus points will accrue as described below:

- Successful completion of 1st 13-week travel assignment: = 100 bonus points.
- Successful completion of 2nd 13-week travel assignment: = 200 bonus points.
- Successful completion of 3rd 13-week travel assignment: = 300 bonus points.
- Successful completion of 4th 13-week travel assignment: = 400 bonus points.
- Successful completion of 5th or greater 13-week travel assignment: = 500 bonus points
