NOTICE OF COMMENCEMENT OF SIMPLIFIED PROCEEDINGS

Pursuant to Rules §2200.202(a) of the VOSHA Review Board Rules of Procedure ("ROP"), this case has been assigned for Simplified Proceedings. A case may be selected for Simplified Proceedings, if it meets one or more of the criteria specified in VRB R.P. §2200.202. All parties are hereby notified that the above matter shall continue under Subpart M of the VRB Rules of Procedure, which governs such proceedings.

Pursuant to VRB R.P. §2200.205, no formal pleadings are required under Simplified Proceedings. The citation served on the Respondent serves as the "complaint", and the Respondent's Notice of Contest serves as the "answer". Formal motions are discouraged, because a primary purpose of simplified proceedings is to eliminate, as much as possible, such pleadings and filings.

Pursuant to ROP §2200.204(b), a party may, at any time, request that Simplified Proceedings be discontinued and that the matter be continued under conventional procedures. In addition, pursuant to VRB R.P. §2200.204(a), upon their own motion, the Review Board Chairperson or the assigned Hearing Officer may order that Simplified Proceedings be discontinued and that the case continue under conventional procedures.

Pursuant to ROP §2200.206 the parties are required to make certain disclosures up front.

The VRB Rules of Procedure can be found at the following web page: <http://voshaboard.vermont.gov/>.

DATED at Montpelier, Washington County, State of Vermont this 5th day of 2025.
